SUBJECTS

ABDOMINAL
elective meso (mesenteric) caval interposition shunt 28(6):38, 1986 oa

empiric antimicrobial therapy 28(1):35, 1986 oa

the acute abdomen and systemic vasculitis: case report 28(5):53, 1986 oa

ABSCESS
pyogenic hepatic abscess 28(1):22, 1986 oa

ADENOCARCINOMA
adenocarcinoma of the vermiform appendix presenting as acute perforated appendicitis with abscess formation: case report 28(5):85, 1986 oarc

ADENOID
adenoid carcinoma 28(2):97, 1986 oarc

ADJUVANT THERAPY
adjuvant therapy of node-positive breast cancer (stage II) - 1985 28(1):64, 1986 oa

ANEURYSM
septic false aneurysms 28(5):62, 1986 oa

supradiaphragmatic aortic aneurysm associated with arteriovenous malformation of the kidney: a case report 28(4):80, 1986 oa

ANGIOGRAPHY
comparison of digital subtraction angiography and arteriography in the diagnosis of carotid artery disease 28(5):75, 1986 oa

ANTIBIOTICS
antibiotics in biliary tract infection 28(5):113, 1986 s

bacteriology of the biliary tree: indications for antibiotic therapy 28(3):41, 1986 oa

ANTIMICROBIAL THERAPY
empiric antimicrobial therapy for intraabdominal infections 28(1):35, 1986 oa

APPENDICITIS
adenocarcinoma of the vermiform appendix presenting as acute perforated appendicitis with abscess formation: case report 28(5):85, 1986 oarc

enterobius vermicularis (pinworms) as a rare cause of acute appendicitis 28(2):85, 1986 oa

ARTERIOGRAPHY
comparison of digital subtraction angiography and arteriography in the diagnosis of carotid artery disease 28(5):75, 1986 oa

ARTERY
an unusual cause of upper gastrointestinal bleeding: case report of a cystic artery-duodenal fistula 28(5): 30, 1986 oa

comparison of digital subtraction angiography and arteriography in the diagnosis of carotid artery disease 28(5):75, 1986 oa

intraarterial and intravenous infusion of prostaglandin E1 for the treatment of severe arteriosclerosis of the lower extremities 28(2):41, 1986 oa

AORTA
supradiaphragmatic aortic aneurysm associated with arteriovenous malformation of the kidney: a case report 28(4):80, 1986 oa

ATRESIA
long-term respiratory status following esophageal atresia 28(4):66, 1986 oa

pediatric surgery problems 28(3):99, 1986 oa

pediatric surgery problems 28(4): 101, 1986 oa

BILIARY
antibiotics in biliary tract infection 28(5):113, 1986 s

bacteriology of the biliary tree: indications for antibiotic therapy 28(3):41, 1986 oa

endoscopic sphincterotomy 28(5):23, 1986 oa

common duct stones 28(4):61, 1986 oa

management of bifurcation tumors 28(3):64, 1986 oa

techniques of primary biliary tract operations 28(3):27, 1986 oa

update: percutaneous transjejunal biliary intervention 28(1):44, 1986 oa

BIOPSY
subareolar abscess of the breast: the role of fine needle aspiration biopsy in diagnosis and management 28(5):45, 1986 oa

BOWEL
choice of surgical procedure for sigmoid volvulus 28(4):13, 1986 oa

iatrogenic neonatal small bowel obstruction 28(3):95, 1986 oarc

large bowel obstruction during pregnancy secondary to an impinging uterine leiomyoma 28(2):80, 1986 oa

small bowel obstruction by bulk laxative in a postgastrectomy patient 28(1):79, 1986 oarc.

BREAST
adjuvant therapy of node-positive breast cancer (stage II) - 1985 28(1):64, 1986 oa

conservative management of early operable breast cancer: limited surgery and radiation therapy 28(3):53, 1986 oa

diagnosis of breast cancer 28(2):69, 1986 oa

Hodgkin's disease of the breast 28(1):41, 1986 oa

subareolar abscess of the breast: the role of fine needle aspiration biopsy in diagnosis and management 28(5): 45, 1986 oa

Index *continued*

BUPRENORPHINE
comparison of buprenorphine and morphine: a multicenter, multidose study in patients with postoperative pain 28(2):55, 1986 oa

CARCINOMA
adenoid carcinoma 28(2):97, 1986 oarc

conservative management of early operable breast cancer: limited surgery and radiation therapy 28(3):53, 1986 oa

CHOLECYSTECTOMY
the postcholecystectomy patient 28(2):49, 1986 oa

CHOLECYSTITIS
acute cholecystitis: diagnosis and management 28(4):61, 1986 oa

COLITIS
severe amebic colitis with hemorrhage and perforation 28(4):73, 1986 oa

COLON
pediatric surgery problems 28(2):103, 1986 oa

CRANIOFACIAL
craniofacial surgery 28(2):111, 1986 s

CYST
a pulmonary hydatid cyst presenting as a lung abscess 28(3):80, 1986 oa

DIVERTICULITIS
perforated ileal diverticulitis 28(2):89, 1986 oarc

DRESSINGS
a new wound dressing that solves the retention and storage problems: a clinical history 28(3):72, 1986 oa

DUODENUM
an unusual cause of upper gastrointestinal bleeding: case report of a cystic artery-duodenal fistula 28(5):30, 1986 oa

pediatric surgery problems 28(3):99, 1986 oa

ENDOSCOPY
percutaneous endoscopic gastrostomy 28(4):93, 1986 oarc

ESOPHAGUS
perforation of the esophagus: etiology and treatment 28(6):27, 1986 oa

traumatic esophageal hiatal hernia: case report and review of the literature 28(6):65, 1986 oarc

FEEDING
needle catheter feeding jejunostomy as a separate "minilaparotomy" procedure using local anesthesia 28(3):15, 1986 oa

FISTULA
an unusual cause of upper gastrointestinal bleeding: case report of a cystic artery-duodenal fistula 28(5): 30, 1986 oa

FRACTURES
sacral fractures and neurologic deficit: diagnosis and operative management 28(5):97, 1986 oarc

GASTROINTESTINAL
an unusual cause of upper gastrointestinal bleeding: case report of a cystic artery-duodenal fistula 28(5):30, 1986 oa

ectopic gastric duplication in an adult 28(1):57, 1986 oa

percutaneous endoscopic gastrostomy 28(4):93, 1986 oarc

pneumothorax secondary to nasogastric tube placement 28(1):75, 1986 oarc

small bowel obstruction by bulk laxative in a postgastrectomy patient 28(1):79, 1986 oarc

HEMORRHAGE
severe amebic colitis with hemorrhage and perforation 28(4):73, 1986 oa

HERNIA
obturator hernia 28(5):91, 1986 oarc

HODGKIN'S DISEASE
Hodgkin's disease of the breast 28(1):41, 1986 oa

ILEUM
perforated ileal diverticulitis 28(2):89, 1986 oarc

INFECTIONS
empiric antimicrobial therapy for intraabdominal infections 28(1):35, 1986

JEJUNUM
congenital jejunal atresia 28(4):101, 1986 oa

needle catheter feeding jejunostomy as a separate "minilaparotomy" procedure using local anesthesia 28(3):15, 1986 oa

update:percutaneous transjejunal biliary intervention 28(1):44, 1986 oa

KIDNEY
supradiaphragmatic aortic aneurysm associated with arteriovenous malformation of the kidney: a case report 28(4):80, 1986 oa

LASER
applications of the CO2 laser in general surgery 28(1):13, 1986 oa

LEIOMYOMA
large bowel obstruction during pregnancy secondary to an impinging uterine leiomyoma 28(2):80, 1986 oa

LIVER
benign liver tumors 28(4):23, 1986 oa

pyogenic hepatic abscess 28(1):22, 1986 oa

LOWER EXTREMITIES
intraarterial and intravenous infusion of prostaglandin E1 for the treatment of severe arteriosclerosis of the lower extremities 28(2):41, 1986 oa

LOIN
needle catheter feeding jejunostomy as a separate "minilaparotomy" procedure using local anesthesia 28(3):15, 1986 oa

LUNG
a pulmonary hydatid cyst presenting as a lung abscess 28(3):80, 1986 oa

MORPHINE
comparison of buprenorphine and morphine: a multicenter, multidose study in patients with postoperative pain 28(2):55, 1986 oa

MULTIPLE INJURIES
emergency management of the multiply injured patient 28(1):89, 1986

NUTRITION
enteral vs parenteral hyperalimentation 28(4):101, 1986 oa

needle catheter feeding jejunostomy as a separate "minilaparotomy" procedure using local anesthesia 28(3):15, 1986 oa

OBESITY
silicone gastric banding: a simple and effective operation for morbid obesity 28(6):13 1986 oa

OVARY
benign cystic teratoma of the ovary 28(1):86, 1986

PANCREAS
acute pancreatitis 28(2):29, 1986 oa

ectopic gastric duplication in an adult 28(1):57, 1986 oa

pancreatic pseudocyst 28(5):81, 1986 oa

PEDIATRIC SURGERY
benign cystic teratoma of the ovary 28(1):86, 1986 oa

congenital cystic adenomatoid malformation 28(5):81, 1986 oa

congenital jejunal atresia 28(4):101, 1986 oa

duodenal atresia 28(3):99, 1986 oa

iatrogenic neonatal small bowel obstruction 28(3):95, oarc

malrotation of the colon 28(2):103, 1986 oa

meconium peritonitis 28(6):60 1986 oa

PENIS
blunt penile injury: cavernosography in the assessment of fracture 28(3):87, 1986 oarc

PERITONITIS
pediatric surgery problems 28(6):60, 1986 oa

PLASTIC SURGERY
craniofacial surgery 28(2):111, 1986 s

continued on page 122

Index *continued*

PNEUMOTHORAX
pneumothorax secondary to nasogastric tube placement 28(1):75, 1986 oarc

PREGNANCY
large bowel obstruction during pregnancy secondary to an impinging uterine leiomyoma 28(2):80, 1986 oa

PROSTAGLANDIN E1
intraarterial and intravenous infusion of prostaglandin E1 for the treatment of severe arteriosclerosis of the lower extremities 28(2):41, 1986 oa

PULMONARY
a pulmonary hydatid cyst presenting as a lung abscess 28(3):80, 1986 oa

median sternotomy for resection of a pulmonary aspergilloma 28(4):61, 1986 oa

RADIATION
the conservative management of early operable breast cancer: limited surgery and radiation therapy 28(3):53, 1986 oa

RECTAL
treatment of locally recurrent rectal carcinoma: a multidisciplined approach 28(6):53, 1986 oa

RESECTION
median sternotomy for resection of a pulmonary aspergilloma 28(4):43, 1986 oa

RESIDENT'S CORNER
adenocarcinoma of the vermiform appendix presenting as acute perforated appendicitis with abscess formation: case report 28(5):85, 1986 oarc

adenoid carcinoma 28(2):97, 1986 oarc

blunt penile injury: cavernosography in the assessment of fracture 28(3):87, 1986 oarc

sacral fractures and neurologic deficit: diagnosis and operative management 28(6):97, 1986 oarc

small bowel obstruction by bulk laxative in a postgastrectomy patient 28(1):75, 1986 oarc

successful surgical treatment of Takayasu's disease involving brachiocephalic and coronary vessels 28(6):71 1986 oarc

RESPIRATORY
long-term respiratory status following esophageal atresia 28(4):73, 1986 oa

SARCOMA
current status of the treatment of musculoskeletal sarcomas 28(6):79, 1986 s

SIGMOID VOLVULUS
choice of surgical procedure for sigmoid volvulus 28(4):13, 1986 oa

SILICONE
silicone gastric banding: a simple and effective operation for morbid obesity 28(6):13, 1986 oa

SPASM
a technique for the prevention of spasm in in situ vein grafts 28(2):75, 1986 oa

SPHINCTEROTOMY
endoscopic sphincterotomy 28(5):23, 1986 oa

SPLEEN
operative management of splenic injury 28(5):13, 1986 oa

STONES
common duct stones 28(4):31, 1986 oa

SYMPOSIA
antibiotics in biliary tract infection 28(5):113, 1986 s

craniofacial surgery 28(2):111, 1986 s

current status of the treatment of musculoskeletal sarcomas 28(6):79, 1986 s

emergency management of the multiply injured patient 28(1):89, 1986 s

enteral vs parenteral hyperalimentation 28(4):105, 1986 s

intraoperative autotransfusion 28(3):101, 1986 s

TAKAYASU'S DISEASE
successful surgical treatment of Takayasu's disease involving brachiocephalic and coronary vessels 28(6):71, 1986 oa

TERATOMA
benign cystic teratoma of the ovary 28(1):86, 1986

THORACOSTOMY
catheter thoracostomy reducing the morbidity of tube thoracostomy for uncomplicated pneumothorax 28(4):87, 1986 oarc

TUMORS
benign liver tumors 28(4):23, 1986 oa

management of bifurcation tumors 28(3):64, 1986 oa

ULCER
the surgical management of recurrent ulceration 28(2):15, 1986 oa

VEIN
a technique for the prevention of spasm in in situ vein grafts 28(2):75, 1986 oa

intraarterial and intravenous infusion of prostaglandin E1 for the treatment of severe arteriosclerosis of the lower extremities 28(2):41, 1986 oa
